

# September Newsletter

## Board News

The last of the projects is nearing completion as the two pavilions have been erected and only the placement of the floor remains to be completed. All the work has been done by volunteers and this was a much larger project than most undertaken by the AHHA and its members. The Board would like to thank all that have participated, and they are worthy of your thanks as well. Many of the names below have been mentioned before and those new to the list appear in bold.

Larry Black

Chris Buckley

Bruce Dennis

**John Gilliam**

**Kal Jones**

Jessina Murphy

Max Murphy

David Ortega

Nork Pfaff

Mike Raczkowski

John Sauer

Larry Tingwall

Jamison Warner

Josh Warner

Mike Wegener

If the level of use of the dumpsters is any indication of the success of the effort it would seem to be overwhelmingly approved by the members. It is likely that the dumpsters will return next year. The Board

would like to remind the community that metal and cardboard can be recycled every Saturday at the Silverton City Shops (free of charge) from 8 AM – 1 PM.

The Board is working on a budget for 2022 with the hope that dues can remain the same as in 2021, but it is very unlikely that there will be a rebate this year. Recovery from the ice storm was very expensive and nearly all of the operational savings has been spent.

The agenda for the September AHHA Board meeting and the financial records for August can be found at the end of the newsletter.

Lastly, the speed monitoring sign will be moved to a new location in the very near future.

### **Other Community Notes**

There are 4 ½ bags of concrete left over from the construction of the pavilions. The bags are under the blue tarp in the Commons and anyone from the community is welcome to them. If you would like the bags of concrete but are unable to get them, just email the Board and we will see if we can get them to your driveway.

Friends of Abiqua heights is a small neighborhood group that sponsors community events, the Easter Egg Hunt, the flags for the 4th of July, the Chalk Art Event, etc. A link to the latest newsletter from the group can be found by clicking [here](#).
