Groundhog Day in Abiqua Heights

It sounds repetitive, because it is repetitive, but the Board hears from the members about the following issue, almost exclusively. So, we will once again remind everyone.

- Pick up after your pets.
- Take in you trash, recycling, and yard waste bins.
- Please drive cautiously especially on the downhill sections of the community as sometimes you are travelling faster than you realize.
- When parking on the street please be respectful of your neighbors.
- Gas powered blowers are loud and environmentally unfriendly, please limit the use of these devices.
